## YOU MUST COMPLETE THIS FORM BEFORE YOUR APPOINTMENT.

### Health Insurance Coverage Verification

We require you to verify your benefits so that there is no added confusion with billing your insurance carrier. Some insurance carriers will not give us the benefit information or they will give us inaccurate information. Also your insurance company may make changes to your benefits without notifying you. It is for your benefit to know your insurance coverage in advance.

1. Call the member services phone number on your insurance card.
